

Member Protection Policy

As a requirement of Netball NSW's Member Protection Policy, every person over the age of 18 or those who are involved with children in any activity, are required to fill in a Volunteer/Student Declaration form.

From 1st July 2015, under the Child Protection Act, a Working with Children Clearance will be required by all Coaches and Managers who are not a direct family member of a team member (see www.kidsguardian.nsw.gov.au/working-with-children to obtain a copy of the application form). This application is free if marked as a volunteer and is completed online. Once the online application has been submitted, a follow up visit to your local Service NSW to present your identification will be required to finalise the process. When a WWC number has been provided to you, please inform the clubs member Protection Officer (MPIO) MPIO@Wahroonganetball.org
